WORKER (SERVICE PROVIDER)
Bob PrimaryWorker
workerA_sec_1793518962890@security.trustpay.internal

COMMERCIAL TERMS

Total Agreed Value: 6000 USD (Allocated across 2 milestones)

SCOPE OF WORK

Full architecture specification, API implementation, and integration testing.

MILESTONE DELIVERABLES & ALLOCATION

#	Milestone Deliverable	Due Date	Amount	Status
1	Phase 1: Architecture Specification & DB Schema	N/A	**$3000**	PENDING
2	Phase 2: Microservices Implementation & E2E Tests	N/A	**$3000**	PENDING

GENERAL & CANCELLATION TERMS

TrustPay standard enterprise terms apply.
